The SAGE Reference Series on Green Society

Toward a Sustainable Future

Series Editor
 Paul Robbins, *University of Arizona*

All 12 titles available in print or online June 2011!

SAGE Reference announces the newest titles in the Green Society series, edited by the award-winning editor of the five-volume *Encyclopedia of Environment & Society*. Six Green Society titles went live in May 2010, and six more

will go live in May 2011. This series explores all aspects of environmentalism, from energy, food, and business to technology, culture, and more. Each title contains roughly 150 accessibly written entries that inspire critical thought and discussion, along with searchable cross-references, vivid photographs, and an extensive resource guide—making the volumes ideal for in-classroom use.
